Dear Mr. Ragotzke-

I received this morning your letter of Aug 8, with the enclosed letters of your Bank and of the Bank of America.

Now that the Bank of America gave the exact date of the transfer and of the deposit (Febr. 11), I could verify on my own monthly account that a deposit of \$100 was made (from an unknown source...) - But the Bank of America failed to notify me! They generally send me a slip, which they didn't do this time (not the Foreign Office in San Francisco, nor the Main Office in Beverly Hills, nor my own branch).

So... we are all innocents! (except for the Bank of America, where there is evidently some confusion...) - I am sorry that I caused you so much trouble - But it is better to have everything clarified.

With all best wishes to you and to Mr. Trip
sincerely yours

Mario Castelnovo-Tedesco

P.S. Did you receive the music which I returned you on June 24? - I hope so. When you make a tape of the sonata, I would like (if possible) to get a copy. Thank you.
